

ELD Series

12VDC Plug-In LED Driver

Features

- Plug-and-Play Option: Available with an input plug-in version
- 12VDC Models: 100W to 300W options available
- Ultra-Slim: 100W model under 0.8" for tight spaces
- Ideal for Controllers: Powers any low-voltage system
- UL Certified & IP65 Rated: Safe for wet or dry use
- High Efficiency: Up to 90% at full load

Specifications

Input	ELD-100W-12VDC-UL
Input Voltage Range:	120VAC
Input Frequency:	50-60Hz
Input Current:	1.47A max
Efficiency:	90%

Output

Output Voltage:	12VDC
Maximum Load:	100W
Output Current @ Max Load:	8.5A

Enclosure

Dimensions:	7.16" x 2.48" x 0.72"
Material:	Aluminum
Finish:	White / Gray
Connection type:	Plug-In / Direct Wire
Weight:	0.88lbs
